

1. Core Modules Required

A. Student Lifecycle Management (Entry to Exit)

Student Master Data

- Student ID / Enrollment No.
- Name
- Aadhaar/Passport
- Mobile/email
- Parents details
- Address
- Category
- Gender
- DOB
- Nationality
- Admission type
- Program/Course/Branch
- Session/Semester
- Scholarship details
- Admission Data
- Application forms
- Entrance exam details
- Counseling details
- Fee payment
- Document verification
- Migration certificate
- Previous qualification
- Academic Data
- Subject registration
- Attendance

- Internal marks
- Mid-term marks
- End-semester marks
- Backlog history
- SGPA/CGPA
- Credits earned
- Academic progression
- Examination Data
- Admit card
- Seating plan
- UFM cases
- Revaluation
- Grade cards
- Degree award

Student Services

- Hostel
- Transport
- Library
- NCC/NSS/SODECA
- Discipline records
- Grievances
- Mentor-mentee
- Exit Data
- Final result
- No-dues
- Placement status
- Alumni conversion
- Degree issued

2. Placement & Training Module

- Required Data
- Company master
- HR contact database
- Job profiles
- Package details
- Eligibility criteria
- Student resumes
- Skill mapping
- Internship data
- Placement drive records
- Offer letters
- Joining status
- Higher education records
- Features
- Placement eligibility automation
- Resume builder
- Company portal
- Placement analytics
- Training calendar
- Mock interview tracking

3. Alumni Management

- Data Needed
- Alumni batch-wise data
- Current organization
- LinkedIn profile
- Higher education
- Alumni contribution

- Alumni events
- Donations/funding
- Mentorship activities
- Features
- Alumni portal
- Networking
- Alumni verification
- Donation management
- Alumni engagement analytics

4. IQAC & Accreditation Module

Very important for:

- NAAC
- NBA
- NIRF
- UGC
- AICTE compliance
- Data Required
- Faculty profiles
- Publications
- Patents
- FDP/STTP records
- Consultancy
- Research projects
- Student progression
- Placement statistics
- Feedback records
- Academic audit reports
- SSR metrics

- KPI data
- Features
- Automated NAAC reports
- Criteria-wise document repository
- AQAR generation
- KPI dashboards
- Ranking analytics

5. HRMS Module

- Employee Data
- Employee ID
- Designation
- Department
- Joining date
- Salary structure
- Bank details
- PAN/Aadhaar
- Leave balance
- Promotion history
- API score
- Research output
- Features
- Attendance
- Biometric integration
- Payroll
- Leave management
- Appraisal
- Recruitment
- Promotion workflow

6. Finance & Accounts Module

- Data Required
- Fee structure
- Scholarship rules
- Ledger accounts
- Expense heads
- Vendor database
- Budget allocation
- Salary processing
- GST/TDS details
- Features
- Online fee payment
- Finance dashboard
- Auto receipts
- Budget tracking
- Audit reports
- Integration with banks/payment gateways

7. Administration Module

- Areas
- Timetable
- Room allocation
- Inventory
- Asset management
- Vehicle management
- Hostel administration
- Visitor management
- Event management

8. Essential Integrations

Integrations required:

- Biometric devices
- Payment gateway
- SMS gateway
- Email server
- LMS/Moodle
- Library software
- Examination software
- DigiLocker
- ABC ID
- NAD
- WhatsApp API
- ERP APIs
- AI chatbot
- Power BI/Tableau

9. Reports & Dashboards Required

All reporting expectations.

- Examples
- Admission trends
- Enrollment statistics
- Department-wise strength
- Fee pending report
- Placement report
- Faculty workload
- NAAC KPI dashboard
- Attendance analytics
- Scholarship utilization
- Student progression

- Alumni engagement

10. User Roles & Permissions

Very important.

- Roles
- Chancellor
- Registrar
- Dean
- HoD
- Faculty
- Exam Cell
- Accounts
- HR
- Student
- Parent
- Alumni
- Placement Officer
- IQAC Coordinator

Define:

- ✓ What each role can view
- ✓ What each role can edit
- ✓ Approval workflows

11. Documents

- ✓ Academic Documents
- ✓ Ordinances
- ✓ Academic regulations
- ✓ Credit system
- ✓ NEP rules
- ✓ Examination rules

- ✓ Evaluation policy
- ✓ Attendance policy
- ✓ Administrative Documents
- ✓ HR policies
- ✓ Leave rules
- ✓ Finance procedures
- ✓ Procurement rules
- ✓ Accreditation Documents
- ✓ NAAC SSR
- ✓ AQAR
- ✓ NIRF submissions
- ✓ AICTE approvals
- ✓ Existing Formats
- ✓ Admission forms
- ✓ Marksheet formats
- ✓ ID cards
- ✓ Bonafide formats
- ✓ Degree formats
- ✓ Fee receipts
