Monthly Cycle of Duty Distribution

[Duty Distribution on LMS](#)

Important Features of this System

- All offices must have an **official Gyan Vihar email id** for all communications and data uploading.
- **Routine Data** at the level of individual offices can be protected and preserved.
- **More accountability** can be maintained by assigning the task on LMS.
- All notification of **Academic calendar activities** can be integrated into LMS.
- In case of the **resignation of any faculty/ staff member**, pending tasks can be tracked and completed.
- In case of the **resignation of Dean/ Principal/ Head**, data handover to the new In-charge will be quick and easy.
- Monthly notification and task assignments can be **customized as per the particular need** of that month (as and when required).
- **Monthly Defaulter List** can be generated along with the list of pending tasks.

Thank You !!!
